2024 was wrapped up with two successful events:

### Heritage on Sunday – October – Spring in the Garden

Our 'Green Team' coordinated this favourite annual event and had the gardens looking their best for the day. It attracted 301 visitors ... most relaxing on the lawns and listening to the band. Many plants were sold, including those propagated by several of our volunteers.

### Heritage on Sunday – November – Memories of Christmas

We welcomed 129 visitors to this event.

Featured amongst the Christmas decorations were trees festooned with baubles containing the memories of Museum volunteers – collected by Mary Jo Zwar.

Much handmade Christmas craft was sold.
